

# MF COMPACT SERIES

20 - 65 HP

RELIABLE  
PERFORMANCE  
**IN A  
COMPACT DESIGN**

# DYNAMIC DESIGN WITH ROBUST EFFICIENCY

The MF Compact range brings together versatility, contemporary styling, and dependable performance to meet the diverse needs of today's operators.

Perfect for estate management, municipal work, equine centres, leisure facilities, and small farms, these tractors deliver the ideal mix of strength and maneuverability for tasks in tight spaces and areas with limited access.

With bold styling inspired by Massey Ferguson's latest design, the MF 1M, MF 1E, MF 2M, and MF 2E series combine a set of features to ensure smooth operation. With nine models across four ranges, the MF Compact series is built for efficiency, adaptability, and low running costs — whatever your day demands.

## KEY FEATURES AT A GLANCE

- ▶ 3 or 4-cylinder engines delivering 20–65 hp, combining reliability with outstanding fuel efficiency
- ▶ Choice of mechanical or hydrostatic transmissions for efficient, economical performance
- ▶ Mid-mounted, forward-folding or rear ROPS with a low folded position for easy access and reduced crop damage
- ▶ Spacious, factory-fitted cabs on selected models, enhanced by air conditioning, a hydraulic joystick, and LED worklights
- ▶ Straightforward open-centre system delivering up to 48 litres/min total flow for a wide range of modern implements
- ▶ Lift capacity up to 1,600 kg for handling diverse tasks with ease
- ▶ Optional 60-inch factory-fitted mower deck with three blades, adjustable cutting heights (20 mm–115 mm), and up to 150 mm ground clearance
- ▶ Wide choice of tyres for agricultural, turf, and industrial applications
